THANK YOU!

What a wonderful time we had at The Philly Show 2026!
To our customers, thank you for traveling from near and far to join us, supporting our talented dealers, and sharing your love of miniatures. Whether this was your first visit or you've been coming for years, we're so happy you were part of it!
To our dealers, thank you for bringing your incredible talent, creativity, and beautiful miniatures to the show. We know many of you travel great distances to be with us, and we truly appreciate the time, effort, and dedication you put into making this event so special.
To our show staff, thank you for your hard work, dedication, and willingness to jump in wherever needed. We couldn't do this without you!
Most of all, thank you to everyone who joined us from near and far for the laughter, friendships, conversations, and wonderful memories we made together. It's about more than miniatures. It's about the people who bring this community together.
We hope you had as much fun as we did making miniature memories!
With heartfelt thanks,
Cathy
