

If you are looking to build a custom home, then Brittney Hilburn is who you want as your advocate. I had very specific desires for my custom home and with Brittney's knowledge of design and her experience in the industry, I was able to get the home I always wanted. With so many moving part and decisions to make, having Brittney on my team made the process of building a home so much easier. She was an unbelievable realtor but has become an even better friend. I chose someone who truly cared about MY wants in MY home and choosing Brittney was the best decision I could have made. If you are looking for a home, land, or builder then choosing Brittney with The Advocate Group to guide you through the process will be the best decision you could make. I know it was for me. Thank you, Brittney!
