

# Camille Marker

## Software Developer

Wilmington, NC | 703-405-8572 | [camillemarker@gmail.com](mailto:camillemarker@gmail.com) | [LinkedIn](#) | [Github](#) | [Portfolio](#)

Full-stack web developer specializing in dynamic and engaging user interfaces, cohesive layouts, and interactive elements to enhance user experiences. Problem-solver focused on creating alluring, responsive, intuitive websites whilst prioritizing user and client needs. Looking to work on a variety of projects, collaborating with diverse teams and integrating a background in sociology into my work.

### SKILLS

- **Languages:** JavaScript, Python, HTML/CSS
- **Software/ Tools:** MongoDB, Git, Linux, React, PostgreSQL, Mongoose, JSON, Google OAuth, API, Django, Node.js, Express.js, Figma

### EXPERIENCE

#### General Assembly

*Software Engineer Fellow*

**Remote**

04/2023 – 07/2023

Successfully completed 500+ hours of expert-led instruction in JavaScript, Python, SQL and hands-on learning of software development fundamentals, webtools, and the industry's most in demand technologies. Developed projects, including:

- **Memory Match** A project constructed after the first two weeks of bootcamp using vanilla JavaScript, HTML, and CSS elements to make a card-flip match game which was then launched through surge.
- **My Garden** | An Express/MongoDB web application developed to track garden plants implementation and progress that was launched through Heroku.

#### Founder of Childcare Business

*In-home Childcare Professional*

**Chapel Hill, NC**

03/2021 - 03/2023

Established and managed an independent childcare business, providing exceptional in-home childcare services for multiple families.

- Demonstrated strong problem-solving skills and adaptability, effectively handling various situations and addressing parent/child needs promptly and efficiently.
- Utilized effective communication skills to collaborate with parents, discussing child development, milestones, and addressing any concerns or challenges.
- Managed administrative tasks such as scheduling, invoicing, and record-keeping, maintaining professionalism and attention to detail in all business operations.
- Organized educational outings and field trips, enhancing children's experiences and expanding their knowledge.

### EDUCATION
