

The British Roller Sports Federation (BRSF)

Introduction

The British Roller Sports Federation (BRSF) is recognised by World Skate as the sole National Governing Body of Roller Sports and Skateboarding for the United Kingdom. As a collective group, we work together for the benefit of all roller sport and skateboarding disciplines as defined by World Skate.

Unlike many governing bodies, we do not impose discipline-specific rules and regulations or dictate how each discipline should decide on their membership fees and development strategies. Instead, our focus is on providing comprehensive advice and support to help each discipline achieve its aims and objectives.

We do not insist that our members join World Skate or attend their events, several of our associate members choose to affiliate to their own International Governing Body.
