

AQUATIC RESTORATIONS

SAFTEY BOATS

Our safety boats are equipped to accommodate medical personnel and safety assistants as needed to support contractors working along the watercourse.

Our safety boat skippers undergo rigorous training in cold, moving water rescue techniques. They are experienced in hazard identification, conducting risk assessments, and responding to incidents and emergencies.

- VARIOUS SIZES 5M – 15M
- EXPERIENCED SKIPPER WITH COLD WATER RESCUE AND EMERGENCY FIRST AID CERTIFICATION
