Re: Name Change for Project No. 15034-000 To: Carrizo Four Corners Pumped Storage Hydro Center

Dear Secretary Bose,

The purpose of this letter is to request a formal name change for FERC Project No. 15034-000.

Please change the formal Project name:

FROM: Beclabito Hydroelectric Energy Storage Center

TO: Carrizo Four Corners Pumped Storage Hydro Center

Kinetic Power, LLC is submitting this name change request in response to local Navajo community feedback and request.

If you have any questions or need additional information, please contact us at the provided email and phone number.
