A Letter from Our Leadership

A Message to Our Professional Partners

As we reflect on the past year, we are proud of the meaningful progress achieved across **Corium Corrective 360°** and our affiliated brands.

What continues to distinguish Corium Corrective 360° is our commitment to building a professionally guided corrective skincare system designed to support long-term clinical success. Our growth has remained intentional — focused on strengthening professional partnerships, advancing education, and maintaining the integrity of professional distribution.

Over the past year, we have seen continued expansion within our professional partner network, increasing adoption of corrective treatment protocols, and strong engagement from providers who share our commitment to results-driven skincare.

Our philosophy remains grounded in a simple but powerful framework:

Educate • Correct • Prevent • Maintain

This methodology continues to guide how we approach both treatment and education within the Corium Corrective 360° system.

We firmly believe that the strength of our company comes directly from the professionals who represent our brands every day. Every treatment performed, every client educated, and every practice built using Corium contributes to a larger mission — elevating corrective skincare through structure, education, and measurable outcomes.

On behalf of our entire team, thank you for your continued trust, dedication, and partnership. We look forward to continuing to grow together and supporting your success in the year ahead.

Warm regards,

Janet Kendall

ANNUAL NEWSLETTER CONTENT

1. A Year of Strategic Growth

Over the past year, Corium Corrective 360° has continued to experience strong and measurable growth across professional skincare channels. Through disciplined expansion, clinical consistency, and strengthened professional partnerships, the company has further established itself as a trusted corrective skincare resource within licensed treatment environments.

Our growth reflects increasing demand for structured, results-focused skincare solutions supported by professional oversight rather than mass-market distribution. By maintaining controlled professional channels, Corium Corrective 360° protects both brand integrity and provider success.

2. Professional Network Development

Licensed estheticians, clinical skincare practices, and corrective treatment centers remain the foundation of our distribution model.

We remain committed to supporting our professional partners through:

- Professional-exclusive access
- Clinical education resources
- Structured treatment protocols
- Ongoing business support initiatives

Our success remains directly tied to the professionals representing our brands.

3. Clinical Innovation & Product Advancement

Innovation remains central to Corium Corrective 360°. Ongoing formulation development and protocol refinement allow us to deliver corrective solutions designed to improve treatment outcomes while supporting provider confidence and long-term client success.

4. Operational & Infrastructure Improvements

Significant investments have been made to improve operational workflow, fulfillment efficiency, regulatory compliance, and internal systems.

These enhancements ensure consistency, reliability, and scalable support as demand continues to grow across our professional partner network.

5. Brand Partnerships & Affiliated Companies

Corium Corrective 360° operates alongside affiliated professional brands including Laskin Skin Systems and MALEOLOGIE, forming an integrated corrective skincare

6. Clinical Education Framework

Education remains a cornerstone of clinical outcomes within the Corium Corrective 360° system.

Educate • Correct • Prevent • Maintain

- Educate — empowering understanding of skin health and treatment pathways
- Correct — addressing existing concerns through targeted protocols
- Prevent — protecting long-term skin function
- Maintain — sustaining treatment results through consistent care

Expanded training resources and education initiatives continue supporting predictable, results-driven outcomes nationwide.

7. Looking Ahead — 2026 Vision

As we move forward, our priorities remain focused on responsible growth and professional success.

- Key initiatives include:
- Expansion of national provider partnerships
- Continued product and protocol advancement
- Enhanced professional education platforms
- Improved ordering and operational systems

Grow strategically while protecting professional exclusivity.

8. Leadership Perspective

The progress achieved this year reflects the dedication of our professional partners, internal teams, and clinical collaborators.

We remain grateful for your continued trust as we build the future of corrective skincare together.

9. Credit Card Processing Update

Beginning April 1, 2026, a 3% credit card processing fee will be applied to all credit card transactions.

This adjustment offsets increasing transaction costs while allowing continued investment in operational support and pricing stability.

We appreciate your understanding and continued partnership.
