

The Teacher Teacher, LLC

Master Thesis/Dissertation Services

Service Overview

Master Thesis/Dissertation services provide assistance, guidance, and support for clients pursuing graduate degrees. Services include editing, proofreading, rewriting, article researching, and general consulting. All services include a free Initial Consultation (max 30 mins.) and free revisions of serviced documents*.

Service Descriptions

Editing

Analysis and reorganization of how information and ideas are structured. Editing focuses on making changes/suggestions that make a document easier to understand, better organized, and more suitable for the scholarly audience.

Proofreading

Correction of basic spelling, grammar, syntax, punctuation, and formatting.

Rewriting

Rewriting services include rearranging paragraphs, adding or deleting sentences or whole paragraphs, and improving the message quality.

Article Research

Article Research services include identification of research documents relevant to the client's research interest, compilation of electronic files for easy access and suggestions for search topics. ***Priced per hour (\$75)***

General Consultation

Discussion, advice, and suggestions in regard to the dissertation including, but not limited to, dissertation topic, chapter outlines, literature review outlining, theoretical frameworks, methodology, etc. ***Priced per hour (\$75)***

Pricing Per Page

(275 words per page)
