SERVICES & IDEAL TEAMING OPPORTUNITIES

Knowledge Management | Enterprise Intelligence™ | AI Readiness | Digital Modernization

COMPANY OVERVIEW

Collaborative Shared Technologies LLC® is a Maryland-based consulting and professional services firm specializing in transforming fragmented knowledge, inefficient processes, and underutilized technology into governed, AI-ready Enterprise Intelligence™. We support government agencies, federal prime contractors, corporations, educational institutions, and nonprofit organizations through strategic advisory, assessments, modernization, implementation, and workforce development.

CORE SERVICE CAPABILITIES

Knowledge Management & Enterprise Intelligence™

KM strategy, governance, knowledge transfer, taxonomy, metadata, communities of practice, organizational learning, and maturity assessments.

Information Governance & Records Management

Records programs, content lifecycle management, classification, information stewardship, and compliance readiness.

AI Readiness & Governance

AI readiness assessments, responsible AI governance, AI/RAG knowledge foundatious, policy development, and workforce AI adoption.

Business Process Improvement

Process mapping, Lean Six Sigma, SOP modernization, workflow redesign, and continuous improvement.

Microsoft 365 & SharePoint Modernization

SharePoint implementation, information architecture, collaboration portals, content organization, governance, and workflow automation.

Organizational Change & Workforce Enablement

Change management, stakeholder engagement, professional training, onboarding, knowledge transfer, and workforce continuity.

IDEAL TEAMING & CONTRACTING OPPORTUNITIES

FEDERAL PRIME CONTRACTOR SUBCONTRACTING

Team with systems integrators, management consulting, IT modernization, digital transformation, and workforce development contractors supporting Defense, Intelligence Community, Federal Civilian, and Federal Health missions.

CORPORATE PROCUREMENT & SUPPLIER DIVERSITY

Corporate engagements in Knowledge Management, AI Readiness, Information Governance, Microsoft 365 modernization, process improvement, organizational change, and professional training.

CAPTURE, PROPOSAL & DELIVERY SUPPORT

Subject matter expertise, assessments, implementation work packages, training, and subcontractor support. Diverse supplier qualifications may complement applicable WOSB, SDVOSB, VOSB, MBE, and Maryland VSBE objectives.

WHY PARTNER WITH US?

24 YEARS of Knowledge Management experience since 2002

22,000+ personnel supported across enterprise and mission environments

$6.5 MILLION in cost savings and cost avoidance contributions

Federal, Defense and Intelligence Community experience

Microsoft 365, SharePoint, AI Readiness, and Enterprise Intelligence™ expertise

KnowledgeRoots™ methodologies and resources

Diverse supplier credentials

Experience and performance figures reflect leadership and professional contributions, not company-level contract results.

LET'S EXPLORE TEAMING OPPORTUNITIES
