Expanded supplier diversity credentials strengthen support for government, prime contractors, and commercial clients through KM, AI, and Digital Modernization.

UPPER MARLBORO, MD, UNITED STATES, October 9, 2026 /EINPresswire.com/ -- **FOR IMMEDIATE RELEASE**

#Collaborative Shared Technologies LLC® Expands Supplier Diversity Credentials with NMSDC MBE Certification, Maryland VSBE Designation, and Prince George's County CBSB Certification

Expanded supplier diversity credentials strengthen the company's ability to support government agencies, prime contractors, and commercial organizations with Knowledge Management, AI Readiness, Information Governance, Process Excellence, and Digital Modernization solutions.

Collaborative Shared Technologies LLC® expands its supplier diversity credentials with NMSDC Minority Business Enterprise (MBE) certification, complementing its Maryland VSBE designation and Prince George's County CBSB certification. The NMSDC certificati

Collaborative Shared Technologies LLC®, a Maryland-based management and technology consulting firm, today announced the expansion of its supplier diversity credentials through its newly awarded National Minority Supplier Development Council (NMSDC) Minority Business Enterprise (MBE) certification, complementing its Maryland Veteran-Owned Small Business Enterprise (VSBE) designation and Prince George's County Certified Small Business (CBSB)

certification.

Issued October 7, 2026, through the Capital Region Minority Supplier Development Council, the NMSDC MBE certification recognizes the company's minority-owned business status and supports its participation in corporate supplier diversity initiatives, procurement networks, and strategic business development opportunities.

The Maryland VSBE designation and Prince George's County CBSB certification further strengthen the company's qualifications for applicable state and local procurement opportunities.

Maryland Veteran-Owned Small Business Enterprise (VSBE) designation strengthens Collaborative Shared Technologies LLC®'s supplier diversity credentials and supports participation in applicable state procurement opportunities.

"These certifications represent an important milestone in our growth journey and reinforce our commitment to delivering exceptional value to our clients," said **Asha Aziza Peterson, Founder and Chief Executive Officer of Collaborative Shared Technologies LLC®**. "As organizations navigate digital transformation, artificial intelligence adoption, workforce knowledge retention, and operational modernization, we remain focused on helping clients reduce knowledge silos, improve organizational performance, and build stronger Enterprise Intelligence™ capabilities."

> We are building a qualified, capable, and strategically positioned consulting firm that helps organizations strengthen Knowledge Management, AI Readiness, and Enterprise Intelligence™."
