# Who are we?

- Established in 2019, is a rapidly growing EPC company serving the Oil & Gas, Chemical, Petrochemical, Energy, Food, Textile and Industrial sectors across Pakistan and abroad.
- We specialize in the design, engineering, fabrication, and installation of pressure and non-pressure equipment.
- Our clients trust us because we combine international engineering expertise with local manufacturing strength, ensuring world-class quality at competitive costs.

**Vision:** To become a leading manufacturer of custom-engineered pressure vessels, LPG bowsers, heat exchangers, LPG storage tanks, and other industrial equipment, built with cutting-edge technology and full compliance with global codes and

# Our leadership

**Muhammad Yaqub**

Chairman & CEO

**Profession** - Mechanical Engineering, P.Eng (Canada)

**Experience** - 35+ years in Oil & Gas, Petrochemical and Chemical fields.

**Worked in Countries** - Canada, USA, UK, Saudi Arabia, UAE, Kuwait, Japan, Italy, Spain, Germany, and Pakistan.

**CEO's Message** - *“At YAMAC, client satisfaction is our utmost priority. We live by our core values and are committed to delivery quality products and services to you which deliver best-in-class performance and value.”*

Phone/Whatsapp: +92-311721805 or Email: [info@yamacengineering.com](mailto:info@yamacengineering.com); Website: [www.yamacengineering.com](http://www.yamacengineering.com)

## Who choose us?

**35+** years hands on experience of YAMAC executives in global markets.

**High** quality and value at competitive costs.

**Centrally** located at your doorstep (FIEDMC, Faisalabad)

**100%** Compliance to International Engineering and Safety standards.

**100%** Customer Satisfaction guaranteed.

**24/7** Maintenance and services support available.

# Certification and Compliance

ISO 9001 Certified

OGRA Authorized  
Manufacturer

Compliant with ASME,  
API and international

Registered with SECP

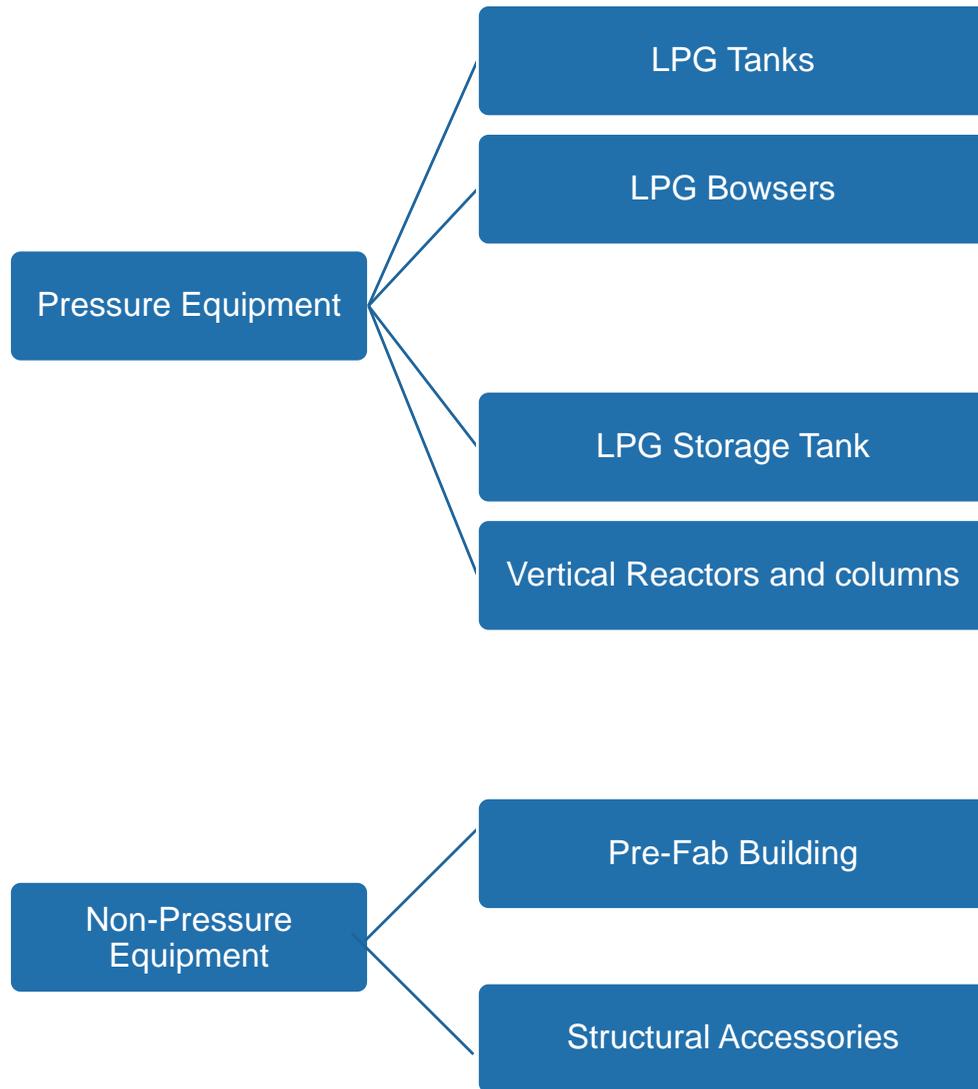

Registered with Pakistan  
Engineering Council

ASME U-Stamp - In  
Progress

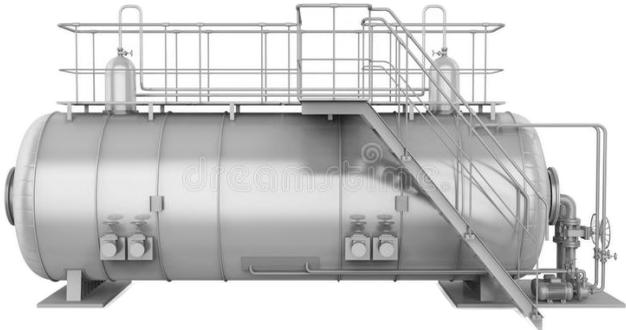

# What do we offer?

YAMAC provides Design, Fabrication and Construction of pressure and non-pressure equipment

# Pressure Equipment

Design, Fabrication and Construction of pressure equipment

LPG Tanks

Storage Tank

LPG Cylinders

LPG Bowser

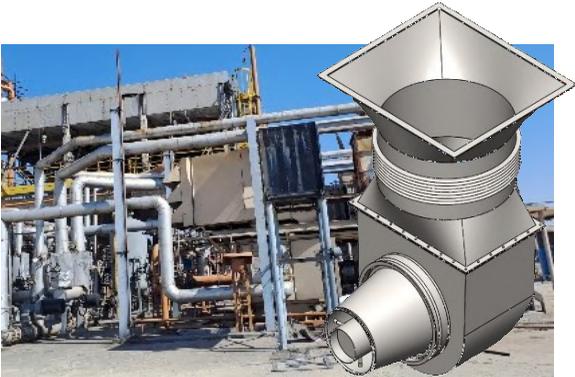

Vertical Reactors and columns

Skid mounted packages

Heat Exchanger

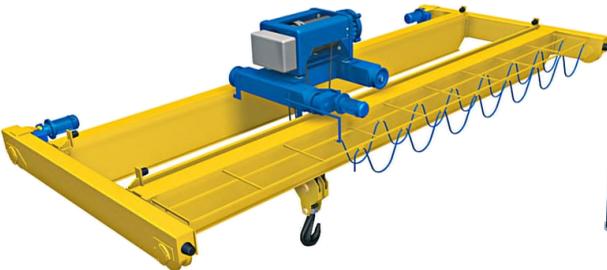

Turbine Exhaust Duct

# Non-Pressure Equipment

Design, Fabrication and Construction of non pressure equipment

Mixing and Agitating

Overhead crane

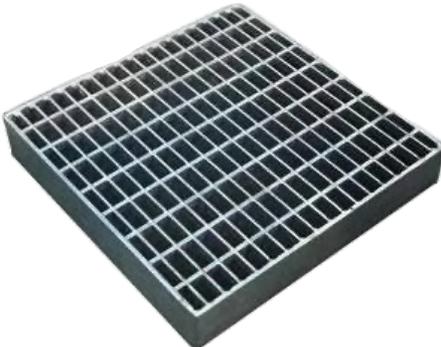

PreFab buildings

Conveyor belt

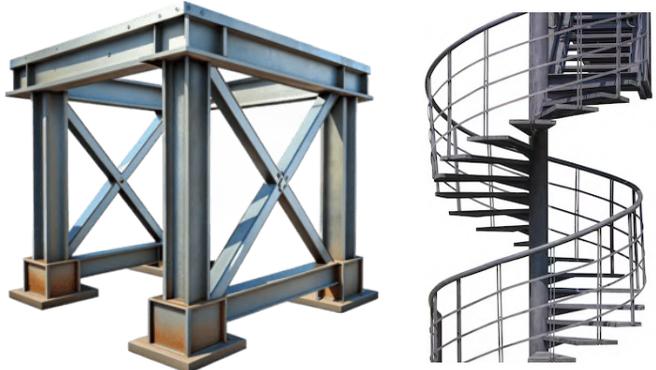

Loading/Unloading Ramp

Steel Grating

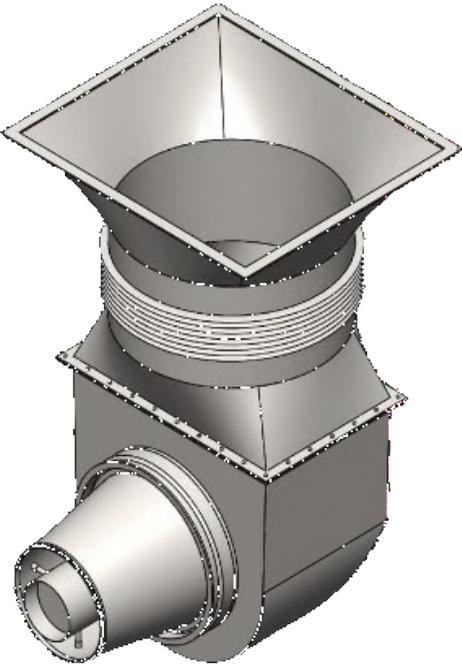

Machining Services

Structural accessories

# Key Projects and experience

Design, Fabrication and Installation of Turbine Exhaust Duct with accessories

Location: Pakistan Oilfields Limited

Design and Fabrication of 8 (200kg) LPG Cylinders

Client: SABIR Poultry Services

# Key Projects and experience

Design and Fabrication of Cryogenic Vessel for Oxygen, Nitrogen and Argon

Client: Multan Chemicals Limited

Stainless Steel 304 TNT Heat Exchanger

Client: Pakistan Ordnance Factory

# Key Projects and experience

Design, Fabrication and Installation of 30 tonne overhead crane

Client: ASM Building

Machine parts: Design, Fabrication and Installation of Tail pipe and seal ring for Gas Turbine

Client: Pakistan Oilfields Limited

# State of the art Machinery

8ft Lathe machine

Shaper Machine

Vertical Drill Machine

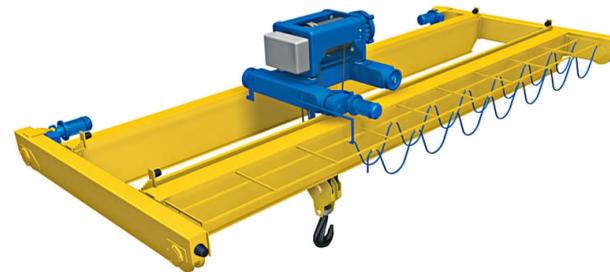

Rolling (Up to 25mm) - SS & CS

Semi-auto welding

Mobile Sand Blasting

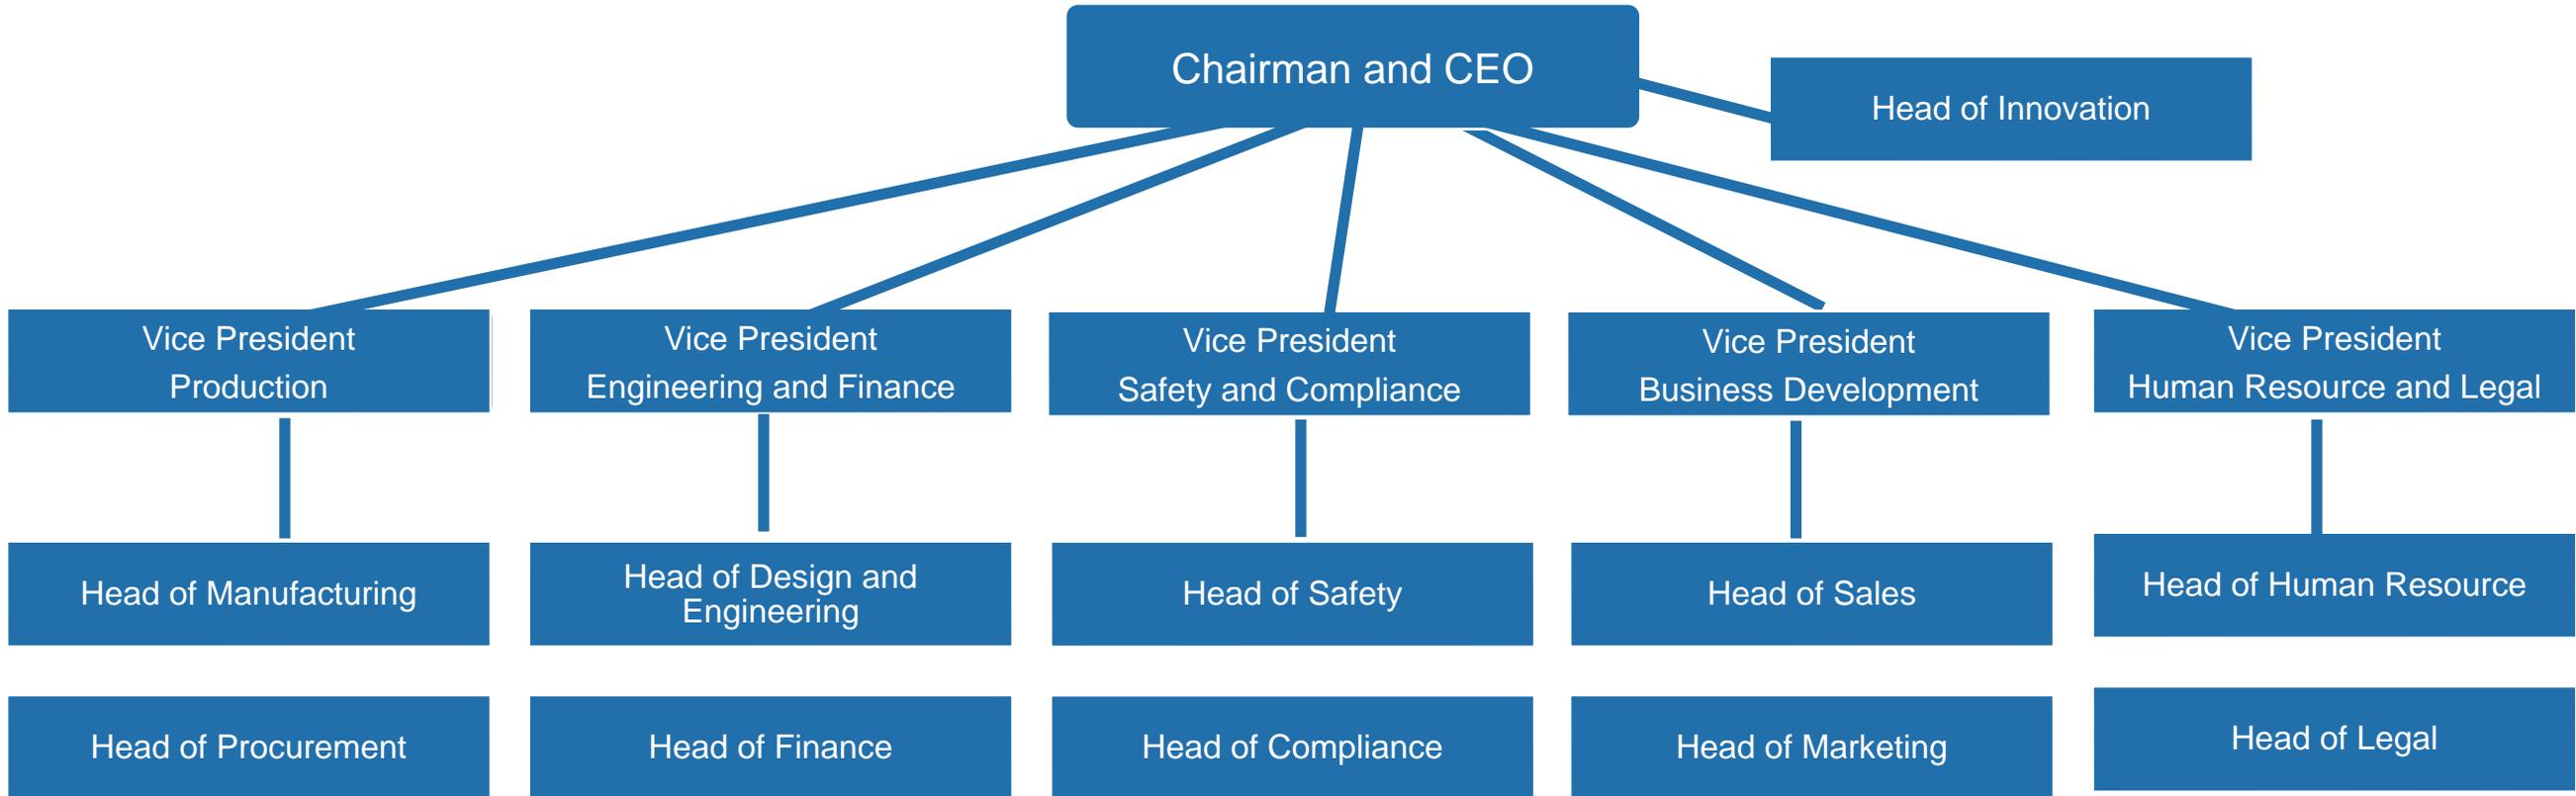

Up to 30 ton lifting capacity

Electric & CO2 Welding plants

# Organizational Structure

# YAMAC Corporate Office - Lahore

**Strategically** located in Lahore, to provide global access to our clients and premium talent pool.

Here we do:

- Design and Engineering.
- Project Management.
- Finance and Procurement.
- Administration, and IT Support Services.
- Training and development.
- Research and Innovation.

Phone/Whatsapp: +92-311721805 or Email: [info@yamacengineering.com](mailto:info@yamacengineering.com); Website: [www.yamacengineering.com](http://www.yamacengineering.com)

# Fabrication Facility - FIEDMC, Faisalabad

72,200 Sq ft Fabrication Area

>15,000 Sq ft Covered Area

Production Office Building

Phone/Whatsapp: +92-311721805 or Email: [info@yamacengineering.com](mailto:info@yamacengineering.com); Website: [www.yamacengineering.com](http://www.yamacengineering.com)

# Our Valued Clients

**PAKISTAN OILFIELDS LTD.**

Multan Chemicals Limited
