Why Support?

P2R is a 501(c)(3) nonprofit peer-run organization helping underserved populations secure housing, employment, life skills, and essential needs to improve their quality of life. By purchasing a ticket, table, or sponsorship, you support our mission to assist high-risk populations, promote public safety, strengthen families, support recovery, and reduce recidivism. See our success stories on our digital platforms.

Fundraising Gala to Support our Homeless to Housing Project (H2H):

P2R has championed a cause to house up to 50 homeless Lorain County residents in the upcoming fiscal year through the Homeless to Housing Project (H2H). Our current operations have identified a housing crisis affecting all marginalized groups we serve. This past year, we led the Warming Shelter, providing shelter services during inclement weather. P2R assisted over 114 residents with temporary shelter and placed 25 of them in permanent housing before April.

Currently, P2R's funding does not support housing, and we are seeking to raise \$125,000 to continue housing homeless clients who have demonstrated the ability to maintain housing after participating in our programs. P2R equips clients with resources, life skills, and supportive case management to ensure they can maintain housing. The funds raised will assist up to 50 eligible clients with deposits and the first month's rent; the average cost is \$2,500 per 2-3 bedroom home.

Even after helping clients achieve employment with a livable wage, there are still discriminatory practices and limited affordable housing. Through our Homeless to Housing Program, we partner with private landlords and advocate for our clients to secure affordable housing. Often, all that is needed is a deposit and the first month's rent to give the client a head start in stable living.

We look forward to dining, dancing, networking, and celebrating with Change Agents like you from the community. Stay tuned! For more information, please visit our website at <https://placetorecover.net> or contact Wendy Caldwell at 440-522-2167.

Your contribution is deeply appreciated and tax-deductible, with a tax letter provided for your records.

Thank you for considering our request. Together, we can illuminate pathways to brighter futures for those in need.

Warm regards,

Wendy Caldwell
