

“C” Litter

Amity Leyna vom Stamm Steinsdorf and V1-Beowolf vom MK Haus IGP1 ANG

Thank you for your interest in these healthy, beautiful 100% East German dogs! Puppies will be reared following the Puppy Culture model, ENS (Early Neurological Stimulation) and ESI (Early Scent Introduction). Puppies will come microchipped, with age-appropriate vaccinations and deworming, transition care package and lifetime breeder support, and will have been started on kennel and potty-training.

Thorough responses will help to provide the best match to meet your needs. After a phone call to clarify needs and address questions, a copy of the sales contract will be sent to qualified applicants with an invitation to place a Non-refundable deposit of \$500.00 towards a total purchase price of \$2000.00 for Limited Registration

1st Pick male and female are reserved for the breeder to retain, sell or place without restriction. Puppies will be considered for homes that are the best match for applicant's needs and preferences. *Pick order will coincide with order of received deposits (not applications), and pick order is used solely to determine which home a puppy will go to, if two or more applicants desire the same traits in a puppy.*
