A decorative glass cone, tapering from a wide base to a sharp point. Inside the cone, there are several dried, reddish-pink flowers on thin stems, and several small, warm white LED lights are visible, some of which are illuminated. The cone is placed on a dark brown, textured surface, possibly leather. The background is blurred, showing what appears to be a window with a view of trees.

A still life photograph featuring a central vase of flowers. The vase is a light-colored, textured ceramic. The bouquet includes several large, dark purple flowers with yellow centers, two large white chrysanthemums, and several brown, spiky dried flowers. The vase sits on a blue and white checkered tablecloth. To the left, a small black ceramic candle holder with a lit candle sits on a piece of white fabric. To the right, a stack of three old, worn books is visible. The background is a window with white curtains, and the lighting is soft and natural.
