It takes time to find your voice, but once you do, you'll never be silent again. You'll have something to say, and you'll say it with confidence and grace. You'll be a force to be reckoned with.

La passion de la céramique habite depuis
si tôt à nos jours. Et rappelle elle
la présence de ce que nous sommes.
La vie est une danse que nous faisons
avec nos sens. Chaque chose a sa propre
essence. C'est ainsi que nous sommes
et nous vivons. C'est ainsi que nous
sommes, les hommes. Nous
sommes et nous vivons. C'est ainsi
que nous sommes et nous vivons.
