MEMBERSHIP NEWS

Please consider signing up at [The American Legion a U.S. Veterans Association](#). The resources on the site are good for anyone, you can correct your own profile, renew online, download your own membership card, etc.

For membership-

August General meeting is 6th, doors lock at 1855. Need ALL Legionnaires to come. We will be having Special Elections after the regular part of the meeting.

We encourage Legionnaires to come to General meetings monthly to hear first hand what's happening at your post and have a say.

National made a mistake in sending out Renewal notices earlier with the WRONG dues amount on them. Dues are \$52 NOT \$45. Across the state there was a mandated increase effective immediately for 2027, which we all have been anticipating. At June's meeting Members approved an additional \$2.00 raise to be effective for 2027 fiscal year to cover the district per capita increase voted on and approved last year. If you have already paid your dues, you could be getting a NEW RENEWAL form. I'll be emailing and calling as well. This is just one of small reasons to come to a meeting and have your voice heard.

Meeting will also be available on ZOOM, in person truly is best. Below you will find the link.

Junior Auxiliary

Thank you to everyone that supported the Juniors in July! They had 2 fundraisers over the 4th of July and both were successful. The Junior's proceeds will go toward the Blankets for Veterans project and military care packages at the holidays.

First was Flag my Yard. People of the community could buy flags for their own yard or as a gift. What a great way to share our American pride and promote patriotism!

4th of July festivities: The juniors sold cold drinks and had a face painting booth. Several juniors helped serve breakfast too. These kids worked for hours and did whatever was needed. They offered so much help and support to our American Legion! A special thank you to the Fitzgerald family for coordinating and giving so much time and energy to the event!
