Nationals is still sending out renewal notices with the WRONG amount on them, reminding everyone the correct amount is $52!!
Have start processing membership, cards are starting to be available for pick up at the Legion. Transmittals take about 45days to process. Please DO NOT ask Bartenders for your card on a Friday night from 1700-2030 or during any event. It is best you pay renewal dues directly to the post, If you choice pay online I NEED YOU TO PLEASE text, email or leave me a copy of your receipt at the post, with your Name, ID# and phone number so I can get your card signed and available for you to pick up. I DO NOT always get notifications when you pay online. Also, when picking up your card please make sure all information is correct and updated or make correction if not.
If you paid the wrong amount due to the mistake by National of $45, $46 pr $50 PLEASE play the additional difference. I will be contacting those that paid based on National mistake and you could be getting renewals resent as well.

Please only contact me directly if there are any questions about membership. I'll be happy to assist and help resolve.
