MEMBERSHIP NEWS

Please consider signing up at [The American Legion a U.S. Veterans Association](#) The resources on the site are good for anyone, you can correct your own profile, renew online, download your own membership card, etc.

October General meeting is 1st; doors lock about 1855. We encourage Legionnaires to come to General meetings monthly to hear firsthand what's happening at your post and have a say. You can also participate via Zoom. If you would like to be part of the By-Laws Committee, please be at this General Meeting.

With Nationals mistake in sending out renewal notices earlier and the WRONG amount on them, hopefully Octobers renewal notice will be correct- \$52!! I have been given approval to start processing membership; cards will be available for pick up at the Legion very soon. Please DO NOT ask the Bartender for your card on a Friday night from 1730-1930 or during any event. It is best you pay renewal dues at the post, if you have paid online, I need you to please text, email or leave me a copy of your receipt at the post, with your Name, ID# and phone number so I can get your card signed and available for you to pick up at the Legion. I DO NOT always get notifications when you pay online. If you paid the wrong amount due to the mistake by National of \$45, PLEASE play the additional \$7.00 difference. I will be contacting those that paid based on National mistake.

Meeting will also be available on ZOOM, in person truly is best. Below you will find the link:
