### Commander's Corner

Dear Members,

Fellow Legionnaires, Auxiliary, SAL, Riders leading our post through trials and tribulations is no easy task, yet each challenge we face only strengthens our resolve and bonds us as comrades. A good team has a shared sense of purpose and clear goals, fosters open communication and trust, and encourages collaboration and mutual respect among diverse members with defined roles. Our work seems to move at a fast pace, but even in the busiest moments, we never lose sight of camaraderie and the fun that fuels our mission. At the heart of every decision and action are the four pillars of The American Legion—Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth—guiding us toward meaningful impact. Your voice and commitment matter: join us at the General Meetings on the first Thursday of every month at 6:30 PM and help shape the future of our post. Together, we will overcome obstacles, honor our proud traditions, and continue making a difference—thank you for your dedication and service.

Respectfully,

Cecil Hitzges, Commander

American Legion, Post 1985

## YOGA FOR VETS AND FAMILY NO COST POST 1985 MEMBERS, FIRESTONE, CO

Testimony from Kay Chandler of the 82nd Airborne

We will be offering a combo yoga, breathing and meditation session with live music. This 75 min practice is based on a fun version of beach yoga ( [CaboYogi.com/vacation](http://CaboYogi.com/vacation)) and we will bring those vibes to Post 1985 for some restorative relaxing wellness time that's great for veterans (and their families). We invite you to come clear the mind, let go and be present in the flow. All skill levels and experience welcome. This is GREAT for beginners: all you need to bring is an open mind, a mat and be ready to enjoy some mindful movement together in fraternity and liberty. We believe movement is medicine and we will show you how it's done in this session.

Sundays, Sep 28th and Oct 19th, 2025
