About DAY1044 Solutions

DAY1044 Solutions is an SBA certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Woman-Owned Small Business (WOSB) dedicated to providing comprehensive cybersecurity solutions and expert IT program and project management services to government agencies and small businesses. We specialize in proactive vulnerability assessments, continuous security monitoring, cyber liability insurance, and the successful execution of mission-critical IT initiatives.

Our Services

- **Cybersecurity Solutions:**
 - Vulnerability Scanning
 - Continuous Monitoring
 - Cyber Liability Insurance
 - Compliance Support
- **IT Program and Project Management:**
 - Program Management
 - Project Management
 - IT Consulting
 - Process Improvement
 - Performance Management

Why Choose DAY1044 Solutions?

- **SDVOSB and WOSB Certified:** We are proud to be a certified SDVOSB and WOSB, demonstrating our commitment to diversity and supporting veteran-owned businesses.
- **Experienced Professionals:** Our team comprises experienced cybersecurity experts and IT program/project management professionals with a proven track record of success.
- **Proactive Approach:** We focus on proactive measures to prevent cyberattacks and ensure the timely and efficient delivery of IT projects.
- **Tailored Solutions:** We understand that each organization has unique needs. We work closely with our clients to develop customized solutions that align with their specific requirements and budget.

Core Competencies

- **Cybersecurity Expertise:** Deep understanding of cybersecurity threats, vulnerabilities, and mitigation strategies.
- **Risk Management:** Comprehensive risk assessment and management methodologies to identify and mitigate potential threats.
- **Security Auditing:** Thorough security audits and assessments to evaluate and improve your organization's security posture.
- **Compliance and Governance:** Expertise in cybersecurity frameworks, regulations, and industry best practices.
- **Incident Response:** Rapid response and recovery capabilities to minimize the impact of cyber incidents.
- **Program and Project Management:** Proven methodologies and best practices to ensure the successful planning, execution, and delivery of IT projects.
- **IT Consulting:** Expert guidance and support to optimize your IT infrastructure, processes, and performance.

Our Value Proposition

- **Reduce Risk:** Proactive cybersecurity measures to minimize the likelihood and impact of cyberattacks.
- **Ensure Compliance:** Meet regulatory requirements and industry standards with our expert guidance.
- **Protect Your Reputation:** Safeguard your brand and reputation from the damaging effects of cyber incidents.
- **Gain Peace of Mind:** Focus on your core business knowing that your critical data is protected.
- **Deliver IT Excellence:** Achieve your IT goals and maximize your technology investments with our expert program and project management services.
