

We are growing a spiritual community that inspires abundance, healing, peace and heartfelt love!

Treat With Us

There is one Divine Source, and that Source is God, and I am one with that Divine Source. I am a co-creator with God and now choose to create a more fulfilling reality in the here and now. Resources and opportunities now appear in my life with perfect timing and grace, manifesting effortlessly, naturally, and beautifully in my life. I enjoy a happy prosperity and unlimited bounty as I grow in conscious partnership with the Divine Source of all goodness. I know that there are no rules because I've never been here before. Old patterns no longer apply. New patterns and happier ways of being are manifesting every day. That which I once thought "impossible" is now possible, for I am willing to think about myself in a new way, and to allow God to orchestrate the fulfillment I so desire. I know that everything works together toward the highest good for all. I thank God that this is so. I release this now to the law knowing that God is working perfectly to bring every good gift and blessing to full fruition. And so it is.

Spiritual Mind Treatment for Enlarged Horizons

by Dr. Ernest Holmes, Creative Ideas

Today my eyes are open more widely, and I look out upon a broader horizon. Across all the experiences I may have had which were limited or unpleasant; I now see the rosy hue of a new dawn. Letting go of that which is little, I now enter into a larger concept of life. Dropping all fear, I entertain faith. Realizing that every form of uncertainty is seeing only in part, I open my spiritual eyes to that which is wholeness, which is greater and better. Today my eyes are open to the breadth and the height and the depth of that life which is God, that life which is good and that law which is perfect. And so it is.
