General:** The terms and conditions contained herein, together with any additional or different terms contained in the final, written proposal issued by Fizz Dispense ("Fizz"), and submitted to Buyer, if any (which proposal shall be incorporated herein and control over these terms and conditions to the extent it contains any conflicting terms and conditions), constitute the entire agreement (the "Agreement") between the parties with respect to the subject sale. Acceptance by Fizz of Buyer's purchase order and Buyer's acceptance of Fizz's proposal is expressly limited to and conditioned upon Buyer's acceptance of these Terms & Conditions of Sale, which may not be changed or waived except in writing signed by Fizz. Unless the context otherwise requires, the term "Equipment" as used herein shall mean all goods, equipment, parts, and accessories sold to Buyer by Fizz. Unless the context otherwise indicates, the term "Services" as used herein shall mean labor, supervision, repair and project engineering services provided by Fizz. As used herein, the term "Buyer" shall mean only the party issuing the purchase order to Fizz for Equipment or Services, regardless of whether or not the Buyer is the end user of the Equipment or Services.

Late payments are subject to a 1.5% monthly late charge calculated per diem. Any checks returned for non-sufficient funds and any stopped or reversed payments shall be subject to a fee. Fizz is entitled to charge any costs associated with the letter of credit to Buyer's account. Performance schedules are conditional upon receipt of the letter of credit within 30 days of award. Buyer agrees to furnish Fizz with any requested credit information. Buyer's credit limit will be set at Fizz's sole discretion and may be modified at any time based upon Buyer's credit risk as determined by Fizz. In the event that Buyer's credit risk increases or Buyer fails to pay timely, Fizz may suspend performance and/or require alternate payment methods. Buyer shall notify Fizz of any items disputed in good faith relating to an invoice within 15 days after the invoice date in writing specifying the nature of the disputed item, but in no event is Buyer entitled to withhold or set off any invoiced amounts without Fizz's prior written approval. - 4. Time Limit:** All quotations are valid for a period of 10 calendar days, unless otherwise extended in writing by Fizz. If this Agreement is delayed or suspended in whole or in part by Buyer for more than 30 days, pricing shall either be subject to re-negotiation or the Agreement may be deemed cancelled for Buyer's convenience and subject to Section 16, at Fizz's sole option.
- 5. Acceptance:** Acceptance of Equipment occurs at point of Delivery. Acceptance of any Services provided hereunder occurs at completion.
- 6. Warranty:** Unless a different warranty is agreed to in writing by Fizz, Fizz warrants to Buyer that all Equipment manufactured by Fizz shall be free from defects in material and workmanship for a period of 2 year after initial use (or placement into storage) or 30 months after the date of shipment, whichever expires first, except that parts sold as spares or for replacement are warranted for 90 days after the date of shipment or until the expiration of the warranty offered by their original manufacturer, whichever expires first. All resale products and components only carry the warranty offered by their original manufacturer. Fizz warrants Services against defects in workmanship for a period of 90 days from date of their completion. Limitations. These warranties do not cover Buyer-furnished designs, goods, equipment, services or materials and do not apply to any Equipment or Services or parts thereof which Fizz determines: (1) to have been improperly installed or repaired; (2) to have been altered or modified in any way without Fizz's prior written approval; (3) to have been subjected to misuse, abuse, excessive external forces, negligence or accident; (4) to have been installed, stored, used, or operated in a manner contrary to Fizz's instructions, specifications and drawings, outside the specified design conditions, or not used in accordance with normal operating and maintenance instructions; (5) are purchased as used Equipment, a prototype or a sample; or (6) resulted from normal wear and tear, corrosion or erosion. Each of the foregoing shall act to void any existing warranty. Proper installation of normal maintenance parts does not constitute a modification. - 7. Exclusive Remedy:** Should any failure to conform to the applicable warranties stated above occur during the warranty periods specified above, then Buyer shall appropriately decontaminate the Equipment and provide Fizz with prompt written notice identifying the problem, but in no event shall such notice be more than 30 days after discovery of such

failure. Provided that Buyer has fulfilled all of its obligations under the Agreement and complied with the procedures set forth in this Section 7, Fizz shall inspect said Equipment within 10 business days after receipt of Buyer's notice. Fizz's sole obligation, and Buyer's sole remedy, is for Fizz to correct such nonconformity by, at Fizz's option: (1) repair or replacement of the nonconforming Equipment or parts thereof; or (2) refund the purchase price of the nonconforming Equipment or parts thereof; and (3) in the case of nonconforming Services, re-perform the Services or refund the price there for. Repairs or replacements made pursuant to warranty shall be warranted for the time remaining in the original warranty period or 30 days, whichever is longer. Fizz will make all arrangements to either transport such Equipment to and from Fizz's repair or factory facility or go to Buyer's site, at Fizz's sole option; provided, however, that Fizz shall not be responsible for providing working access to the defect, including disassembly and reassembly of Equipment or for transportation costs to and from Fizz's repair or factory facility, all of which shall be at Buyer's risk and expense. If it is determined by Fizz that such failure was not covered by the warranty stated above, then Fizz will invoice Buyer, and Buyer agrees to pay, for all such inspection and other expenses.

8. Disclaimer: THE FOREGOING WARRANTIES AND REMEDIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER CLAIMS OF RELIEF AND WARRANTIES OF QUALITY, PERFORMANCE AND DESIGN, WRITTEN, ORAL OR IMPLIED, AND ALL OTHER WARRANTIES INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, OR THOSE ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED BY FIZZ AND ALL EQUIPMENT MANUFACTURERS.

9. Termination: No termination by Buyer for default shall be effective unless, within 15 days after receipt by Fizz of Buyer's written notice specifying such default, Fizz fails to initiate and pursue correction of such specified default.

10. 11. Delivery and Risk of Loss or Damage: Unless otherwise agreed in writing by Fizz, all domestic shipments are FCA Fizz's plant and all international shipments are CPT port of destination, with responsibilities as defined in INCOTERMS 2010, and "Delivery" as used herein occurs in accordance with INCOTERMS 2010. Notwithstanding anything to the contrary, all lead times quoted and accepted by Fizz shall be from the date Fizz accepts Buyer's purchase order. If Fizz agrees in writing to prepay transportation and transit insurance charges for the account of Buyer, then Fizz is entitled to include shipping, handling and any transit insurance charges on its invoice. Buyer shall indemnify, defend and hold Fizz harmless from any claims by freight carriers for Buyer's failure to pay freight charges. Claims for shortages in or damage to shipment shall be deemed waived unless made in writing and received by Fizz within 10 days after receipt of Equipment by Buyer or its designated consignee. Delivery dates quoted are based on Fizz's best estimate of a realistic time when shipment will be made and are subject to change. Delivery dates will be confirmed on Fizz's acceptance of any resulting order, and Fizz will use its best efforts to meet such Delivery date. Fizz may make early shipment or partial shipments and invoice Buyer accordingly. Despite any agreement with respect to delivery terms or prepayment of transportation or transit insurance charges, the risk of loss or damage shall pass to Buyer upon completion of Delivery or upon moving the Equipment into storage, whichever occurs first.

12. Laws, Codes and Standards Price and Delivery schedule are based on the applicable laws, codes, and standards stated in the Equipment specifications in effect as of the date of Seller's acceptance of the purchase order. If such laws, codes, and standards change, or if Purchaser changes the laws, codes, and standards stated in the Equipment specifications, and such change increases or decreases the cost of performing the work or impacts the Delivery schedule, then Fizz will advise Buyer of the same, and the parties shall promptly negotiate in good faith and mutually agree upon any modification to the order resulting from any such change. Any local laws, statutes, codes or standards, or interpretations thereof that do not match national building codes are hereby exempt from the Agreement unless written copies are presented by Buyer to Fizz as additional specifications and accepted in writing by Fizz as part of this Agreement.

13. Any design, reports, plans, drawings, standards, specifications or other information submitted to Buyer by Fizz (" Fizz Documents") were developed at Fizz's expense and shall remain Fizz' s exclusive property. Fizz Documents are not suitable for use on any other agreement or project and any reuse of Fizz Documents without the express written consent of Fizz will be at the sole risk of Buyer, and Buyer shall indemnify, defend and hold Fizz harmless from any and all claims arising from Buyer' s reuse of Fizz Documents. Upon Fizz' s request at any time, Buyer shall promptly return all Fizz Documents. If Fizz's Equipment is held to infringe a United States patent in effect as of the date of this Agreement (other than any infringement resulting from Fizz' s compliance with Buyer' s designs, specifications or instructions or from the use of the Equipment in combination with other materials or the operation of any process), then Fizz may at its option procure for Buyer the right to use the Equipment, modify or replace it with non-infringing Equipment; refund the purchase price allocable to the infringing Equipment, or settle or otherwise terminate said actions on behalf of Buyer. The foregoing is Fizz's entire liability and Buyer' s sole remedy for patent infringements of the Equipment. 18. Assignment: This Agreement may not be transferred or assigned by Buyer by operation of law or otherwise without the prior express written consent of Fizz. Any transfer or assignment by Buyer of any rights, duties or obligations without Fizz's consent shall be void.

19. 20. Export Sales; Compliance with Trade Laws In no event shall Fizz be required to export or deliver any technical information, data or Equipment if such export or Delivery is then prohibited or restricted by any law or regulation of the U.S. Government, including departments, agencies and sub-divisions thereof or of any other applicable governmental agency of any country having jurisdiction, including the country in which the Equipment or Services to be sold will be installed, used, or performed. Should Fizz' s performance of its obligations hereunder be prohibited by any applicable governmental agency, in whole or in part, or if the exportation or importation of the Equipment which is the subject of this Agreement be precluded because of the inability to obtain an export or import license within a reasonable time, as appropriate, then Fizz' s obligations hereunder shall be terminated at Fizz' s option, and Fizz shall be entitled to reasonable cancellation charges. Unless otherwise agreed in writing by Fizz, Buyer accepts all responsibility for exporting and importing any Equipment sold hereunder outside of the U.S., will be the exporter of record and importer of record, and will be responsible for filing any documents, obtaining any licenses required by the U.S. or other government agencies, and paying all duties and taxes necessary for exportation and importation. Buyer agrees to indemnify and hold Fizz harmless from and against any and all damages and expenses (including attorneys' fees) resulting from Buyer's violation of applicable export and import regulations.

21. Compliance with Anti-bribery Laws: Buyer warrants and represents that it is familiar with the requirements of the U.S. Foreign Corrupt Practices Act and other similar anti-bribery laws, including without limitation, the OECD Antibribery Convention and the UK Bribery Act, that it has not and will not violate those laws as may be amended from time to time, and that it neither has nor will it offer, make, or agree to make, directly or indirectly, any gift or payment of any kind or any political contribution in violation of such laws. Buyer shall provide Fizz with such written assurances of compliance with such laws as requested by Fizz from time to time. Any payment, offer of payment, or agreement to make a payment that is contrary to the laws of the United States or the laws of the country in which it is made, or any other payment in conflict with this clause, will constitute a material breach of this Agreement, and any obligation of Fizz hereunder shall automatically terminate upon such breach without further liability to Fizz. Buyer agrees to indemnify and hold Fizz harmless from and against any and all damages and expenses (including attorneys' fees) resulting from Buyer's violation of the requirements referenced in this Section.

22. Governing Law; Arbitration: This Agreement and any claim, controversy or dispute arising under or related to the Agreement, the relationship of the parties, and the interpretation and enforcement of the rights and duties of the parties is exclusively governed by the laws of the State of Georgia, excluding its conflicts of law principles and excluding the United Nations Convention on Contracts for the International Sale of Goods. Buyer waives all causes of action arising under this Agreement after one year from the date of the occurrence of the event giving rise to any such claim, waives any sovereign immunity claims or defenses, and consents to and will not contest personal jurisdiction in the local and federal courts of Cartersville, Georgia. Except for account collection disputes, any disputes, controversies or claims arising out of or relating to this Agreement, or the breach thereof which cannot be resolved amicably within 60 days, shall be settled by binding arbitration. This agreement to submit to binding arbitration shall be specifically enforceable under the prevailing arbitration law. The award of the arbitrator shall be final, and a judgment may be entered upon it by any court having jurisdiction. A party desiring to invoke this arbitration provision shall serve written notice upon the other of its intention to do so and the name of an impartial individual who is knowledgeable in matters pertaining to Fizz's industry to serve as an arbitrator. If the other party objects within 15 days to the arbitrator proposed, and the parties fail to agree on an arbitrator within 30 days thereafter, then the arbitrator shall be appointed by the arbitration tribunal. For domestic sales, the arbitration shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association then prevailing. For international sales, the arbitration shall be conducted in accordance with the International Arbitration Rules then prevailing of the International Centre for Dispute Resolution. Unless the parties agree otherwise, all arbitrations shall be conducted and all related documents submitted shall be in the English language in Cartersville, Georgia, and the arbitrator shall apply the substantive governing laws as specified above. All awards granted by the arbitrator shall be final and binding on the parties, and shall include interest from the date of any breach or default and from the date of the award until paid in full. Judgment may be entered on any award or decision of the arbitration panel by either party in a court of competent jurisdiction. The arbitrator may grant emergency interim relief according to the applicable arbitration rules, and shall award costs, fees and other expenses of the arbitration, including reasonable attorney's fees, to the party not in default. If Buyer fails to promptly assume Fizz's defense when requested to do so as required under this Agreement, then Fizz may defend with counsel of its own choice at the expense of Buyer.

23. Miscellaneous The Agreement as defined in Section 1 constitutes the complete and exclusive agreement between Fizz and Buyer and there are no agreements, understandings, restrictions, warranties, or representations between Fizz and Buyer other than those set forth herein. If any provision, or any part thereof, of this Agreement is found by any court or governmental agency of competent jurisdiction to be invalid or unenforceable for any reason whatsoever, then such provision shall be deemed revised and applied to the maximum extent allowed by applicable law, and such invalidity shall not affect the remainder of such provision or any other provision here which shall remain in full force and effect. All obligations herein shall survive termination, expiration or completion of this Agreement. No term or condition is intended for the benefit of any third party, and Fizz and Buyer do not intend any term or condition to be enforceable by a third party, including any end user of Equipment or Services. Fizz's failure on any occasion to insist on strict performance of any term or condition hereof shall not constitute a waiver of compliance with such term or condition on any other occasion or a waiver of any default. References to any statutory provision, enactment, order, regulation or other similar instrument shall be construed as a reference to the statutory provision, enactment, order, regulation or instrument as amended, replaced, consolidated or re-enacted from time to time and shall include any orders, regulations, codes of practice, instruments or other subordinate legislation made under it. The headings used throughout are for convenience only and shall be given no legal effect. Fax copies shall be given the full force and effect as an original. (Rev 1/14)
