

# THE 10-STEP ROADMAP

HERE IS WHAT YOU CAN EXPECT A PROJECT TO LOOK LIKE WITH US

## FOLLOW UP

After I have gathered enough information from you about your project, I would like to speak once more before I begin my process

## QUESTIONNAIRE

Answer some questions to give me a better idea of your idea, your voice, your style and the bigger picture.

## DISCOVERY CALL

We can have a 30-minute chat to determine if we are compatible and on the same page!

## PREPARATION

I take my time preparing by conducting research and gathering information for the project

## OUTLINE

We will create a roadmap for your book to ensure that readers can't put it down!

## WRITE

This is the bulk of my process to ensure high quality creativity. I will communicate with you through the process to ensure I maintain your voice and ideas

## MARKET

Don't let your book of knowledge sit on the shelf, let's give it life by creating a book campaign to share with the world!

## PUBLISH

Once your manuscript is finished, we can explore publishing and take care of the entire process for you!

## EDIT

Once the first draft of your manuscript is finished, I will work with my editing team to get it polished!

## TURN INTO A COURSE!

Once your book is published, now it's time to turn it into a passive income!

## BECOME A NICHE MASTER!
