The Water Quality Control Division (the Division) has reviewed the application submitted for the Colorado Yurt facility and determined that it qualifies for coverage under the CDPS General Permit for Stormwater Discharges Associated with Construction Activities (the permit). Enclosed please find a copy of the permit certification, which was issued under the Colorado Water Quality Control Act.

### **FEE INFORMATION: 3.25 acres**

An application fee of \$175 (50% of the annual fee) will be assessed for all new applications. Beginning July 1, 2019 an annual fee of \$350 category 7, subcat - Stormwater Construction 1-30 acres disturbed [per CRS 25-8-502] will be assessed and invoiced every July for as long as the permit certification is in effect.

It is the responsibility of the permittee to submit a termination application when the permit is no longer needed. Fees are assessed and invoiced for every permit that is active July 1 of the fiscal year. Permits for which termination applications are received by June 30 of the current fiscal year will not be invoiced for the new fiscal year.

### **CERTIFICATION RECORDS INFORMATION:**

The following information is what the Division records show for this certification.
