ADMINISTRATIVE CONTINUATION EXPLANATION:

The Division is currently developing a renewal permit and associated certification for the above permitted facility. The development and review procedures required by law have not yet been completed. The Construction Stormwater General Permit, which expired June 30, 2012, is administratively continued and will remain in effect under Section 104(7) of the Administrative Procedures Act, C.R.S. 1973, 24-4-101, et seq (1982 repl. vol. 10) until a renewal permit/certification is issued and effective. The renewal for this facility will be based on the application that was received 6/30/2014. The expiration date identified on the enclosed certification (6/30/2012) is correct; all effluent limits, terms and conditions of the administratively continued permit are in effect until the renewal is complete.
