MEMO RE: Modification Certification, Colorado Discharge Permit System
Permit No., COR400000, Certification Number: COR401047

DIVISION CONTACTS: Joseph Sturgeon, 303-691-4019, Joseph.Sturgeon@state.co.us

ATTACHMENTS: Certification COR401047

On 2022-11-15 the Water Quality Control Division received a request to modify this certification by: removing a total of 40.7 acres from the permitted area and transferring some of that acreage to permits COR407637 and COR415262.

The Water Quality Control Division (the Division) has reviewed the application submitted for the **Morgan Hill Subd** facility and determined that it qualifies for coverage under the CDPS General Permit for Stormwater Discharges Associated with Construction Activities (the permit). Enclosed please find a copy of the permit certification, which was issued under the Colorado Water Quality Control Act.

FEE INFORMATION: 129.8 acres

A modification fee of \$135 (25% of the annual fee) will be assessed for all modification applications.

It is the responsibility of the permittee to submit a termination application when the permit is no longer needed. Fees are assessed and invoiced for every permit that is active July 1 of the fiscal year. Permits for which termination applications are received by June 30 of the current fiscal year will not be invoiced for the new fiscal year.

CERTIFICATION RECORDS INFORMATION:

The following information is what the Division records show for this certification.

For any changes to Contacts - Owner, Operator, Facility, or Billing - a "Notice of Change of Contacts form" must be managed through the Division's new platform called the Colorado Environmental Online Services (CEOS). The Notice of Change of Contacts form must be electronically signed by both the owner and the operator.
