

*Null*

T-Rex disappeared.

Bullied Lystrosaurus overslept

but could not vanish

not even in her

dreams the asteroid

hit continental

drift

300 megayears pass we say to the

"scram" chanting holy guy

Congrats!

on your coming

nix

the one

prerequisite fixed:

*to have appeared*

Not me

I will not

heed

Remember

not ALL have been

given a horn to

Poof!

You have forgotten

corneas.
