
Recess Reimagined

HELPING SCHOOLS TO HELP STUDENTS.
BACKED BY SCIENCE, PROVEN IN PRACTICE.

Experiencing an
increase in student
behavior?

Sensory concerns?

Attention difficulties?

Social-emotional well-
being and anxiety?

Let us help
empower your
students and staff
through research-
based procedures,
protocols, and
strategies.

Our team will equip your school with the confidence, knowledge,
and plan to improve play parameters to boost student
well-being and learning outcomes.

Virtual and in-person options available. Email us at
