Upcoming Meeting Preview: Saturday, September 10

“What I did Last Summer!”

We’re really looking forward to getting back together this Saturday for the LMA meeting. Hopefully everyone had a good summer and just like going back to school, we want to know how you spent your summer..... artistically speaking.

Please bring a piece to the meeting that you did over the summer and be prepared to share and discuss it with the group. Also, did you have any shows, win any awards, attend any workshops, etc. We’d love to hear about it!

Artist Opportunities

Due to my insanely busy end of summer, I was not able to spend much time on this newsletter! So...

I am going to post again some websites that you can check for artist opportunities.

NŌ STUDIOS FEATURED ARTIST 2022

September thru November 2022

LMA is collaborating with NŌ Studios to feature two LMA artists in their Sky Bar + Lounge at the top of their building at 1037 W. McKinley Ave, Milwaukee WI, 53205

This CALL FOR ART is for each artist to present a small body of work themes on Nature. There are two walls available for displaying art. LMA artists should submit digital copies of their work via the "*Apply Now for NŌ Studios Featured Artist Opportunity*" button. Please be sure you have received confirmation that your submission has been received via email. Otherwise, please be in contact with David at davidlkurtz@wi.rr.com.

There is a publicity component to this exhibit. The selected artists must agree to be interviewed by WISN during their live Community Curated segment in October (date and time TBD by Kayla). Please see Community Curated for previous interviews.

The deadline has been extended. For more information and to enter go to our website at <https://milwaukeeartists.org/exhibitions>

Member Doings

Here I usually post notices about exhibits you are in, awards, or special recognition you have received. Again, I did not have time to reach out to you for items to include this month. You can send me any notices you want to be included in October's Open Canvas Newsletter. Please remember to send them directly to me at jtsmith5@sbcglobal.net I will not receive any email from our website.

There is an item of note:

This summer LMA co-sponsored a talk with internationally famous artist Tom Voyce. There was a successful talk at both MARN and the Cedarburg Cultural Center in July. His work is now available at "EnPointe Gallery" in the Historic Third Ward, open Weds through Sundays.

Milwaukee Art Museum Update

After Labor Day, your Milwaukee Art Museum will have new hours:
Wednesday, 10 am-5 pm; Thursday, 10 am-8 pm; and Friday-Sunday 10 am-5 pm.

John Houck (American, b. 1977), First Set, 2015. Inkjet print. Image and sheet: 21½ × 27½ in.

Two photography exhibitions in the Herzfeld Center for Photography and Media Arts open on September 1. They are *James Benning and Sharon Lockhart: Over Time Chapter II* and *On Repeat: Serial Photography*. *Over Time, Chapter II* features California's Mojave Desert and a shipyard in Maine in two single-shot films brought together. *On Repeat: Serial Photography* draws on the Museum's collection of the 1900s and 2000s photography and examines the ways artists have used serial and sequential imagery to explore their subjects.

Check out many new works on exhibit at the Museum. There is a new acquisition in the Impressionist Gallery by Swedish artist Julia Beck, a whole gallery of Wisconsin artist John Wilde's surrealist paintings, and a fabulous Sam Gilliam sculpture. (The Wilde paintings are fantastically interesting. Walk around the Gilliam sculpture and peer underneath.)

Sam Gilliam (American, 1933–2022), Carousel Merge 2, 1971. Acrylic on canvas: 186 × 102 in

In the Baker/Rowland Galleries is *Always New: The Posters of Jules Chéret*. Jules Chéret was one of the first artists to bring colorful, large-scale advertisements to Paris streets, creating what critics called a “museum in the open air.” There are programs and talks connected with this exhibit; explore events at <https://mam.org/exhibitions/details/always-new.php>

The Museum Café on the Café Level, under Windhover Hall, is open. The menu features snacks, salads, and sandwiches. Indulge in art-inspired beverages by Discourse: Coffee Workshop. The Kohl's Art Studio is open Friday–Sunday, 10 am–4 pm. Reserve your admission tickets and find information on parking, safety protocols, and more at mam.org/visit
