APRIL DIY TIP

SEED PACKET WREATH

Give garden appeal to your home with a gorgeous hanging decoration, sourced from vintage seed packets. Simply attach 12 to 14 paper packets to a 12-inch foam wreath using straight pins. Add a few flowers into the display for the finishing touch.

A Note From Ginny Montgomery:

I have had a few calls from other members to just say “hi”. It was rather uplifting so please think about calling a member to chat about nothing! It does help!

“I glanced out the window at the signs of spring. The sky was almost blue, the trees were almost budding, the sun was almost bright.”

- Millard Kaufman

EGC PLANT SALE— DATE TBD

Note from Shannon Brock:

Everyone needs to continue planting for our plant sale. We've got some sunshine so it's perfect weather to gather garden art (bird houses, pots (planters), tables, benches, bird baths, lawn ornaments, etc. Anything will be good) and keep those plant starters going. Not sure about the sale date at this time. More info to follow . If you need pots or labels reach out to Shannon.

She can be reached at (253) 939-2380
