Dear Garden Club friends...Thank you for all the wonderful things you have done for me: flowers, cake, beautiful cards with lovely sentiments and lovely thoughts. It made me improve faster and I was very sentimental. Thank you so much,

Highlights from the November general meeting!

President Karen opened the November general meeting with these words of inspiration: "Gardens add life to your years and years to your life".

- 17 members joined our ZOOM meeting.
- To give us inspiration to get out and cut those greens Tory showed us three swags she recently put together.
- We were reminded to keep track of the number of trees we plant this year from April 20, 2020 to March 31, 2021. Debora Akers received the Plant A Tree award for 2018, planting about 25 trees.
- Once again Susan Nash took us on a visual walk through her garden and shared her knowledge of Dwarf Conifers: Mini to Micro. She suggested Vassey's Nursery in Puyallup as a good place to purchase your conifers.

In memory of my mom,
Clarice Gill ,
By Diane Franchini

As 2020 draws to an end I find myself thinking about my mother even more than usual so when Yolanda asked me to write a Tribute to my mom for your newsletter I eagerly agreed.

Garden Club was without a doubt one of mom's most favorite things. She loved being a part of the group even when physically she couldn't do everything that she wanted to do. To make up for her "what she would call shortcomings" she would go out of her way to still give to the club—soups, cookies, cards, and much more. She loved her yard and gardens and took great pride in showing them off whenever she could.

As many of you know my mom was a very creative person and I learned so much from her. She encouraged me to be the creative person I am today. Her quilting was always something to be admired and since her passing in March I have taken up quilting with a renewed passion. Amid Covid I have completed 2 quilts, 2 sets of placemats, and 3 table runners.. My Christmas presents this year are going to be quilted pieces (in memory of mom).

She inspired me in so many ways and I will always think of her as my teacher and mentor, my best friend, my inspiration, and my hope for the future.
