JANUARY DIY TIP

This is really a little BAZAAR hint, but I thought it just might be an interesting “tip” for members. I got really tired of ALWAYS having to readjust the “curly binding” on my yearbook. I FINALLY found something that keeps the wire spiral stable. I did have to FORCE an earring back on each end of the book. It’s really worked at keeping the binding in place. Just remember the “back” really needs to be forced onto the wire.

***Art With Heart***

Gather used wine corks (try those from both red and white wines to get this ombre effect) and place them side by side, top side down, in an empty heart-shaped box until the box is filled.

Cold weather for our feathered friends is early this year. Time to get a water heater for your bird bath

MESSAGE FROM CO-PRESIDENT GINNY MONTGOMERY:

A reminder that we will be looking for a new slate of officers. When you get a call from someone on the committee, let them know if you can step up. One year of membership minimum, is helpful! Also, think about taking on one of our chairmanships and ask a friend to work with you.

Our “core” group are really wanting to help but want other members to participate. You are never alone!

There is always help close by.

Three biggies: Newsletter, Yearbook and B4B...

Shannon is organizing the plant sale like last year. You all take care of your own contributions and she tells us what to do with them! 😊
