## FRANCE 2023

May 20 to May 27, 2023

Prepare to immerse yourself in the ultimate wine lover's destination with the Trusted Experts of Willow Park Wines & Spirits. Enjoy intimate and exclusive visits to many of the prestigious châteaux and taste some of the most famous wines in the world. A team of winemakers, along with our Trusted Experts, will lead you through an itinerary that blends the elegance of wine, food and history together.

We have planned a gold medal tour through the classified growths of the Haut-Médoc, including a first growths experience. We'll visit highly acclaimed chateaux in Saint-Estèphe, Pauillac, Saint-Julien and Margaux while tasting current vintages, back vintages and exclusive barrel samples.

You'll be transported back in time in the charming wine village of Saint-Émilion, a World Unesco Heritage Site, and fall in love with the right bank of Bordeaux. From exploring the famed whites of Pessac-Leognan and the luscious sweet wines of Sauternes, this experience will be one for all the senses.

Accommodations are in modern rooms at our favourite hotel in the city of
