

DISCOVER SOUTH AFRICA WILDERNESS & WINELANDS!

**South Africa Winelands April 30 to May 5, 2024
+ optional South Africa + Zambia Safari May 5 to 14, 2024**

Dream big. Go far. World Palate Tours and Africa360 have teamed up for an epic journey. The exceptional beauty and special winelands of South Africa plus the romance of a South Africa and Zambia safari adventure are the backdrop for a truly unforgettable experience.

The core of the WP Tour Wineland experience begins with Willow Park Wines & Spirit's Trusted Expert Michael Bigattini when we adventure to Cape Town, South Africa Tuesday, starting April 30th until Sunday, May 5th, 2024. We will be ensconced in the middle of the beautiful Stellenbosch and explore the wines, food, culture, art and myriad of experiences that have established the Cape Town area as one of the most beautiful and interesting destinations in the world.

Our elegant accommodation at the River Manor Boutique Hotel in the middle of the old town in Stellenbosch equals historic luxury. We have planned many fantastic stops on our itinerary including the wines along Swartland wine and olive route, the De Grendel wine estate, and visits with our friends at Bellingham, Spier and Capensis, plus more. Let's explore how the wines of South Africa have evolved into much more than what has put them on the world map with their Chenin Blanc and Pinotage.

On Saturday, the Taste the Cape Peninsula Tour may just be the most beautiful food tour in the world. Begin with Hout Bay locals for coffee and pastries, then a scenic drive along the Chapman's Peak route to a beer and bratwurst craft brewery, and a local farm hoenderhok relax. A Simon's Town visit includes Boulders Beach and the charming penguin colony, followed by a visit to one of the most historic wineries in the world at Klein Constantia. All transfers from our meeting point in the Stellenbosch, meals, tours, winery visits and tastings are included. If you plan to arrive in Cape Town early, we recommend planning a visit to Table Mountain or Robben Island and join one of our favourite tours, 'Cape Town Eats'.

Africa still offers unparalleled untamed experiences. WP Tours and Africa360 have crafted a matchless South African plus Zambia Safari. To join us on this optional tour, travel from Cape Town to arrive in Johannesburg on Sunday, May 5th. Catch ride to rustic Mankwe Reserve where the highlight of our two day visit will be to work with a rhino anti poaching team. Then it's onward to one of the most famous safari destination lodges, Sausage Tree, located in Lower Zambezi National Park with stunning scenery along the banks of the Zambezi River. In addition to game drives, you have the chance to try Tiger fishing the Zambezi River.

We'll conclude our safari at one of the most game rich destinations based at award-winning Mfuwe safari lodge. The park is renowned for its prolific game viewing - giraffe, hippos, buffalo, antelope, leopard, lions, African wild dogs and much more. This custom safari includes flights within Zambia, lodges/food/alcohol, safari/conservation activities and more! We conclude in Lusaka, Zambia. We are now branded Africa Lovers forever.
