

JOURNEY TO THE SOURCE

MEXICO 2020

TEQUILA CALIENTE

FEBRUARY 7 - FEBRUARY 12, 2020

Follow us to the source. The source of agave and that special elixir, tequila. This destination is hot, hot, hot! The town of Tequila in Jalisco, Mexico is one of the most colourful and fun we've found.

This tour begins when we pick you up in the quaint village of Tlaquepaque, which is a short transfer from the modern airport in Guadalajara. Meet the locals on a late morning tour of the city highlights, including an authentic street taco lunch. Our home base will be Tequila and the brand new El Tequileño Hotel and Spa. We have an action packed itinerary planned, but there will be plenty of chances to also relax by the pool.

Our focus is tequila: historic El Tequileño, iconic Herradura, Fortelezza and a very interesting cultural programme at Jose Cuervo. Technical tastings, tours and visits with the distillers are the cornerstone of our tour. Our meals range from rustic to elegant, all made with fresh local fare and Mexican flare. Tequila is approaching its 500th anniversary and there is much to see and delve into. Our plans also include a mini Spanish lesson, time in historic Guachimont, a margarita making workshop, and instruction on tequila vs mezcal and other traditionally distilled specialties. If you would like to attend the church service in the Catedral Tequila on Sunday morning, you are welcome. It has been the center of life in Tequila for five centuries.

We will wrap up our five night Tequila lovers' dream after breakfast on Wednesday, February 12th, with transfers back to Guadalajara.
