**Date of Composition: 07/05/2020**

**Duration: ~3:30 min**

## **Programme note:**

Like the undulating waves of the ocean, *Brave the Waves* weaves together sections of music working to describe the movement, expanse, beauty, and danger of the sea. The work employs a large extended orchestral instrumentation to include a choir, saxophones, and guitar, alongside the traditional instrumentation. The large instrumentation is representative of the expansive ocean, with the many individual instrumental flowing together like individual water droplets together to create a powerful wave.
