To Whom This May Concern,

My name is Alfonso Garcia, and it is my honor to recommend Alexis Nicole Whitney Empress 36 of The Empire of the Royal Sovereign Imperial Court of the Single Star, Inc. for the title of Queen Mother II of the Americas for the International Court System.

Alexis was a long-time resident of San Antonio, Texas, and a dedicated advocate within the LGBTQ+ community. Over the years, she has devoted countless hours to supporting organizations such as Gay Fiesta, We Are Alive, and the Gay Rodeo Association of San Antonio, among many others. Through her leadership, volunteer efforts, and unwavering commitment to service, she has helped raise thousands of dollars to assist residents in need.

What sets Alexis apart is her genuine compassion for others and her dedication to making a positive difference in the community. She consistently leads by example, bringing people together, supporting charitable causes, and works tirelessly to improve the lives of those around her.

I have no doubt that Alexis will continue to excel in whatever future endeavors she chooses to pursue. Her passion, integrity, and commitment to service make her an outstanding candidate for this position and honor. I wholeheartedly support her nomination and believe she would represent the International Court System with dignity, grace, and pride.
