Dear members of the Nominating Committee,

It is with great pleasure that I endorse Mulan Rouge as a nominee for the Queen Mother 2 of the Americas. Mulan has served her community in so many ways. She has shown her commitment to enriching her community as a member of our Board of Directors. Mulan also serves on our development committee, where she has planned and executed an annual World AIDS Day event to raise awareness and funds for people living with HIV. As a board member she is engaged, dedicated and committed to our mission. Her work has improved care for our clients and would set an excellent example for others in the community.

Please consider Mulan Rouge for the role of Queen Mother 2 of the Americas.

Thank you,
