To Whom It May Concern,

I, Jane Clementi, Cofounder of the Tyler Clementi Foundation, whole heartily support the nomination of Empress VII Coco LaChine for Queen Mother II of the International Court System.

Coco's kind, caring, and thoughtful nature has been evident to me from my very first *Night of a Thousand Gowns* when she graciously hosted us at her table, making us feel very welcome and included. She has developed the relationship by continually reaching out to us to find new ways to support and champion the work and mission of the Tyler Clementi Foundation; to end all online and offline bullying in schools, workplaces and faith communities.

I personally am most thankful for her advocacy in adding Tyler's name to The Stonewall Inn National *LGBTQ Wall of Honor*. This meant so much to me to have Tyler included and honored in this way.

We continue to be grateful for Coco's commitment to help raise awareness of the harms of bullying behavior and to financially support the work of Tyler's foundation through her activities with the Imperial Court of New York. We are especially appreciative for her ongoing assistance in amplifying our messaging by re-sharing our social media posts throughout her hugely vast network.

The support and commitment Coco has shown to the Tyler Clementi Foundation over the years has been greatly appreciated and to me seems indicative of her worthiness to be Queen Mother II.

Sincerely,

A handwritten signature in blue ink that reads 'Jane Clementi'.
