To Whom It May Concern,

My name is Josh Garcia, also known throughout the community as Seliah DeLeon. I have had the honor of serving as both the 20th Elected Emperor and the 23rd Elected Empress of the Imperial Sovereign Court of New Mexico, based in Albuquerque, New Mexico.

It is with great pride and enthusiasm that I write this letter in support of Alexis Nicole Whitney for the position of Queen Mother II of the Americas.

Alexis has dedicated countless years to serving not only the LGBTQ+ community but also the Imperial Court System with unwavering passion, integrity, and compassion. As a strong

transgender Latina woman, Alexis has consistently broken

barriers while serving as an example of resilience, determination, and leadership. Her commitment to uplifting others, preserving our history, and fostering unity within our communities is truly remarkable. Through her leadership, mentorship, and tireless volunteerism, Alexis has made a lasting impact on countless individuals across Texas and beyond.

One of the many qualities I admire most about Alexis is her perseverance. Despite being visually impaired, she has never allowed her disability to define her or limit what she can accomplish. Instead, she has used her experiences to inspire others, proving that obstacles can be overcome through determination, strength, and a commitment to service. Her ability to navigate challenges with grace and

confidence is a testament to her character and leadership.

One of Alexis's greatest strengths

is her ability to bring people together. She leads with kindness, grace, and a genuine desire to see others succeed. Whether organizing community events, supporting charitable causes, mentoring emerging leaders, or representing our community with dignity and pride, Alexis consistently demonstrates the qualities of a true Queen Mother.

Her dedication extends far beyond titles and recognition. Alexis understands the importance of service, legacy, and stewardship. She has spent years building relationships, advocating for inclusion, and ensuring that future generations have opportunities to thrive within our organizations and communities.

Alexis embodies the values of leadership, compassion, service,

and excellence that this distinguished role represents. She is a respected leader, a trusted mentor, and a tireless advocate whose work continues to

strengthen our community. I am confident she will serve as Queen Mother II of the Americas with the same dedication, grace, and vision that have defined her years of service.

I offer my strongest recommendation and wholehearted support for Alexis Nicole Whitney's candidacy and respectfully encourage your favorable consideration.

Sincerely,

Josh Garcia (Seliah DeLeon)
