To Whom It May Concern,

It is with great honor and enthusiasm that I submit this letter of recommendation for Mulan Rouge as a candidate for the position of Queen Mother 2 of the Americas within the International Court Council and the International Court System.

For more than a decade, Mulan Rouge has been a dedicated and unwavering supporter of the Imperial Sovereign Court of the Willamette Empire in Salem, Oregon. Long before making Oregon her home, Mulan demonstrated her commitment to our organization and community through her active participation and support of our events and charitable endeavors.

During her reign as Miss Gay Washington 2013–2014 and later as Empress 36 of the Imperial Sovereign Court of Tacoma, Diamond Empire of the Cascades, Mulan frequently traveled to Salem to attend and support functions hosted by the Imperial Sovereign Court of the Willamette Empire. Her willingness to invest her time, energy, and resources into strengthening relationships between courts exemplified the spirit of unity and service that is foundational to our organization.

After relocating to Oregon, Mulan became an integral part of the Imperial Sovereign Court of the Willamette Empire. Over the years, she has held numerous distinguished titles, including Miss Gay Salem, Imperial Crown Princess, and Star Empress. In addition to her titled service, she has served on our Board of Directors and has held various leadership positions within the organization. Through each role, she has demonstrated exceptional dedication, professionalism, and a genuine passion for advancing the mission of the International Court System.

Mulan's commitment to community engagement extends beyond the Court System itself. During her years of service, she has had the opportunity to build meaningful relationships with public officials at local, state, and national levels. Her leadership and reputation within the community were reflected when Oregon Governor Tina Kotek and First Lady Aimee Kotek Wilson attended her coronation ball, underscoring the respect she has earned both within and beyond our organization.

Mulan Rouge embodies the values of service, leadership, integrity, compassion, and dedication that are essential to the role of Queen Mother 2 of the Americas. Her decades of charitable work, commitment to the growth and success of the International Court System, and ability to inspire and unite others make her exceptionally qualified for this distinguished position.

It is my sincere honor to nominate and recommend Mulan Rouge for the position of Queen Mother 2 of the Americas. I am confident that she will continue to serve our community and our organization with the same passion, grace, and excellence that have defined her remarkable legacy.

Respectfully submitted,

Bob Monroe
Star Emperor 5 & 42
Imperial Sovereign Court of the Willamette Empire
