To all concerned,

This is a profound honor to write to you concerning the nomination of Mulan Rouge for Queen Mother II of the Americas.

I have known and worked with Mulan for the past 5 years as her friend and as her Emperor with the Imperial Sovereign Court of the Willamette Empire. We served together in all six counties that make up the ISCWE. Throughout that year and in the years since, the focus of Mulan Rouge has been how to serve, when to serve and where to serve.

I have been involved with the ISCWE for 45 years, and in that time only one person has shown leadership and focus on service both while not reigning and while reigning, and that is Mulan Rouge. She has mentored several young members of this community as well as setting an example to all those around her.

I have witnessed her unwavering concern and commitment to her court and community, as well as other courts and communities. She has initiated several projects involving other local churches and 501(c)3's, including The Church of Jesus Christ of Latter-Day Saints (the Mormons).

I feel eternally blessed to have been a small part of the power and empathy of Mulan Rouge and look forward to her leadership if she is chosen as Queen Mother II of the America's.

Regards,

Beth Delaney
