RE: Mulan Rouge

As the Development Director at HIV Alliance, I endorse the nominee, Mulan Rouge, for the title of Queen Mother 2 of the Americas. Mulan is dedicated to enriching her community, supporting those who are marginalized and fundraising for important causes in Oregon. Mulan has successfully hosted multiple World AIDS Day events for us in Salem, ensuring our clients have a day of acknowledgement to remember those we have lost and honor the successes we have seen in HIV care. Mulan helped to make our fundraising events successful by donating items and wine for our auction and wine wall. She has been a driving force in Salem, helping to support our clients living with HIV and creating awareness about our preventative services in Marion County.

I have known Mulan for the extent of their board service at HIV Alliance, and found her to be proactive, dedicated, energetic about philanthropy, and a great leader.

Please contact me if you have any additional information in support of this nomination.

Sincerely,

Jade Lazaris
Development Director
