To Whom It May Concern,

It is my honor to offer my wholehearted recommendation and support for Empress Mulan Rouge in her candidacy for Queen Mother II of the Americas.

Throughout her many years of dedicated service within the Imperial Court Council (ICC) and within her own court, Empress Mulan Rouge has consistently demonstrated exceptional leadership, compassion, and an unwavering commitment to serving others. She has devoted countless hours to building bridges between diverse communities, fostering an environment where all individuals feel welcomed, respected, and valued.

One of her greatest strengths is her ability to unite people from many different backgrounds. She has worked tirelessly to bring together members of the LGBTQ+ community across all identities while also encouraging collaboration with allies and other communities, including those of the LDS faith. Her inclusive approach reflects a genuine belief that understanding, respect, and service can transcend differences and create stronger, more compassionate communities.

Empress Mulan Rouge leads with integrity, humility, and grace. She has earned the respect of those she serves by consistently putting the needs of others before her own and by promoting unity, education, and charitable service. Her vision embraces diversity while encouraging meaningful dialogue and lasting partnerships between communities that may not otherwise have the opportunity to connect.

The role of Queen Mother II of the Americas requires a leader who embodies service, wisdom, inclusivity, and dedication. I firmly believe that Empress Mulan Rouge exemplifies these qualities and is exceptionally qualified to serve in this prestigious position. Her years of experience, proven leadership, and passion for bringing people together make her an outstanding candidate.

I offer my strongest endorsement of Empress Mulan Rouge and respectfully encourage you to give her your highest consideration for Queen Mother II of the Americas. I am confident that she will continue to serve with the same excellence, compassion, and commitment that have defined her years of leadership.

Respectfully,
Kristin Tycksen Aka Nubbs from Hell
