To The International Court Council,

As the Founder and Queen Mother of Hawaii, I am honored to offer my full support and endorsement of Empress Danielle Logan as the next Queen Mother II of the Americas. Danielle's dedication to our community in Hawaii has been both profound and far-reaching. Her work has uplifted and supported the LGBTQ+ community, Life Foundation programs, The Kua'ana Project, our Hawaiian language scholarship programs, and individuals living with HIV/AIDS, among many other vital initiatives. Her impact is not only measurable but deeply felt by those whose lives she has touched, across the USA.

In over 30 years of effort, Danielle was the first person able to successfully guide Hawaii in obtaining our 501(c)(3) nonprofit status, an achievement that speaks volumes about her knowledge, persistence, and leadership. During her tenure as President of the Board for the Imperial Sovereign Court of Hawaii, she led with unwavering commitment, integrity, and vision, strengthening our organization, advancing our mission, and successfully guiding us through COVID.

While her past service is extraordinary, what stands out most is the promise of her future leadership. I am fully confident that Danielle will guide the International Court Council forward with grace, elegance, and strength. She has the ability to unify, to rebuild, and to leave a legacy that future Queen Mothers will look to with admiration and pride. At this time, the ICC needs a compassionate and capable leader who can bring our court system and community back together, laying a strong foundation for continued service and growth.

Having served as an Heir Apparent for six years and devoted 55 years to the court system, I understand what the ICC requires in its leadership. Danielle Logan embodies the grace, wisdom, and compassion that this role demands. I hold her in the highest regard as Queen Mother I of the USA, and I have no doubt that she will continue to inspire as Queen Mother II of the Americas.

It is with deep respect and confidence that I offer my full endorsement of Empress Danielle Logan for Queen Mother II of the Americas.

Sincerely,

Charmaine Lee Anderson
