

FIFTIETH WEDDING ANNIVERSARY CELEBRATION LODGING

BILTMORE ESTATE

We urge all to consider spending several days at Biltmore Estate and the Asheville area. The attractions in the area are historically and culturally significant. We strongly recommend a tour of the mansion and winery. The area Farmers' Markets and downtown crafts shops should not be missed. There are wonderful museums and musicians describing the history and heritage of this early American community.

Biltmore Estate has three types of lodging, The Inn, The Hotel and The Cottages. The Inn is the premiere lodging facility. We have always been satisfied the many times we stayed there. The Inn will be the venue for The Fiftieth Wedding Anniversary Celebration. We have not stayed at The Hotel. Considering Biltmore's hospitality reputation, we are sure it would be an enjoyable experience. The Hotel is in Antler Hill Village. Antler Hill Village has shops, restaurants, and the winery. It is also close to some of the recreational and historic attractions. The Inn and The Hotel are within walking distance. The walk from The Hotel to The Inn is vertically challenging. It takes about five minutes to drive from The Hotel to The Inn. Valet service is available at The Inn. There is plenty of self -parking. Admission to Biltmore Estate is included in the cost of the lodging. Below are links for slightly discounted lodging rates at these two facilities. If you wish to call to make reservations the number is 800-411-2529. Let the reservations associate know that you are part of the Easter Fiftieth Wedding Anniversary. Phone reservations can be made Monday-Friday 8:30 AM – 5:00 PM.

There are four cottages available for lodging on Biltmore Estate. They are The Market Gardener's Cottage, The Dairy Foreman's Cottage and Line House Cottages I & II. We are staying at The Dairy Foreman's Cottage from 22 to 25 September. The Market Gardener's Cottage is 1.5 miles from The Inn. The Line House Cottages are near The Village Hotel. Please go to the Biltmore Estate site to make reservations for The Cottages or call.

LODGING ELSEWHERE

Asheville is in western North Carolina in the Blue Ridge Mountains. It is rich in history and culture. As a result, it attracts a lot of tourists and has an abundance of lodging facilities. Hotels, Bed and Breakfasts, VRBO and Airbnb rentals abound. We have spent a few long weekends in reasonably priced cabins with great mountain views a short drive from Biltmore Estate. If you choose not to use lodging on The Estate and want to be close, we recommend looking for your favorite hotel in Biltmore Village. Biltmore Village is three miles from The Inn on Biltmore Estate. Biltmore Estate will not charge admission to attend the Fiftieth Wedding Anniversary Celebration.
