A Reminder from the Opelika-Auburn PB Club Board of Directors.

Remember, to Social Distance when you gather to play.

We recommend that you have a game secured with 3 other people before going to play. This should limit exposure to the group. If you know someone that is sick or tested positive for COVID-19 please advise a board member so we can advise the members, keeping in mind we will respect the privacy of the individual.

Please don't come to the courts if you have a fever or have had a fever in the past 14 days, AND refrain from playing. Self-Quarantine, if you have lost your sense of smell and/or taste and/or are coughing. We are trying to keep all of our members, and other players healthy. If we don't practice good social distancing and someone becomes sick it could be at a cost to the health of others.

It may also lead to the SportsPlex courts or Samford courts being shut down. (this applies to all members, on all courts)

Thank You for your Help and your Consideration of others.
