

# St Christine's CHRISTIAN SERVICES

*As we approach the festive Christmas season, we are filled with gratitude for the unwavering support that has enabled St. Christine's to serve the community with dignity and grace. Thanks to your generosity, not only have we been able to continue providing hot meals from our soup kitchen and essential food groceries from our community choice pantry, but we were also able to reopen the neighboring resource center. This resource center now offers more than just coffee and donuts—it has become a vital hub addressing the diverse needs of our community. Whether it's a warm blanket for someone living in their car or a listening ear for those seeking companionship, the resource center has become a haven for many.*

*We recently had the privilege of witnessing the impact of our work when a gentleman named John, who hadn't eaten for two days, came to our door seeking a simple bowl of cereal with milk. It was heartening to see how our collective efforts made a real difference in his life. Blessings,

## Christmas Season 2024

Dear Supporters of St Christine's Christian Services;

First of all, **THANK YOU** for your invaluable support. Your contributions have been the backbone of our operations, enabling us to navigate the past year's challenges and continue our mission.

Sometimes people ask --- How does your outreach at St Christine's operate? The Soup Kitchen will post the day's menu & a 'to-do' list. Volunteers will start working on individual tasks. Together, about 15 – 20 volunteers prepare about 450 meals. The kitchen will begin serving at noon on Tuesdays. Some will eat in, and others will have a carryout. There needs to be a lot of coordination and many amazing volunteers

A similar activity and plan is occurring at the Food Pantry. Food donations are received, delivered, sorted, organized into family-size portions, and then readied so that the community can choose what they need for their families. 175 families/450 individuals are provided with food for the week every week.

At St Christine Christian Services, we welcome people in need every week, and they are grateful for the help they receive. We do this as an expression of our faith mandated by Jesus Christ.

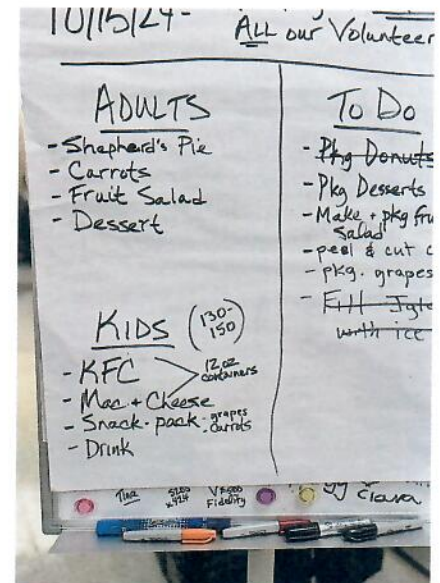

Once again, we extend our heartfelt gratitude to each one of you. Your support is a testament to the power of community, and we are truly blessed to have you with us. May God continue to shower His blessings upon you.

Sincerely yours in Christ;
