Hi Tharani,

I hope you're doing well! Thank you so much for submitting your artwork to the Strokes4Strokes campaign – we really appreciate your support and generosity.

I just wanted to share a few quick details with you:

- This is an Australian artwork auction with our office based in Melbourne
- We are only accepting physical prints or small sculptures at this time, so we're unable to include digital prints in the auction.
- Regarding your starting bid, our current artworks are typically ranging from $20 to $200 AUD, so after discussing with our team, we would recommend starting your piece at $50 AUD to keep it aligned with the rest of the collection.

Thank you again for being a part of this campaign – it means a lot to us! If you have any questions or would like to chat further, feel free to reach out.

Best wishes,
Stevie
