Dr. Tharani Jaiprakash

India

She is Global Award 2025 Winner !

Category: Global Inspirational Woman Award!

Tharani Jaiprakash is a highly qualified professional with a diverse educational background and extensive corporate experience. She holds a **B.Tech in Biotechnology** from Madha Engineering College, Kundrathur, and a **Master's in Business Studies** from Sobat.org. Additionally, she has completed her **MBA from Academy Europe** and earned a **Doctorate in Theology** from Northwestern Christian University.

Currently, Tharani works as a **Tech Support Professional at Cation Consulting**, where she plays a key role in providing technical support and chatbot testing. She has contributed to several high-profile projects for clients such as **Ryanair Airlines, SBS, 123, and Dolmen**. Tharani's expertise, dedication, and strong technical acumen make her an asset in the tech industry. Her ability to seamlessly integrate her knowledge with practical applications continues to drive her success in the corporate world.
